

Welcome to Roadside Station Ginoza!

The Ginoza Village Tourism Association would like to welcome you to Roadside Station Ginoza! Our roadside station, which opened in April 2018, is located on National Route 329 in lovely seaside Kanna near the Kin town line, and offers myriad facilities for your enjoyment, all of which are handicapped-accessible. Let Roadside Station Ginoza serve as your gateway to all that our village of sun, greenery, and water has to offer!

Children can enjoy our indoor playroom, or our outdoor splash park and playground. We offer numerous shopping opportunities, from a pop-up shop dedicated to the Hanshin Tigers, who hold their spring camp in Ginoza every year, to our showcase Mirai Farmers' Market, where you can purchase locally-produced specialty products. If you're feeling hungry, our roadside station has a selection of restaurants and cafes serving everything from burgers to fresh sashimi. Clean restrooms, open twenty-four hours a day, are available for your convenience, and we also provide a coin-operated shower room.

We are also happy to rent out our facilities for your event needs! Facilities available for use include but are not limited to: a large-scale multipurpose hall, a conference room, and numerous outdoor spaces suitable for barbecues and birthday parties.
